

# Rules of Music rooms (MR) on Silicon Hill

---

Strahov Music rooms (MR) are Silicon Hill (SH) club project and they are for members only. Leaders of this project are SH members too without any reward.

- Registration, payment and room access

(Music room - Hudebna 3,9,10 - H3,H9,H10 in blocks 3,9 and 10)

1. Project member (MR user, PM) is SH club member only (has payment for studying period - winter/summer semester - in IS system)  
for more info ask block registrar (anybody who helps with internet connection)
2. To become a project member is necessary to register on web

*[http : //hudebna.siliconhill.cz/](http://hudebna.siliconhill.cz/)*

and have 1 semester fee 500CZK (less than 20 eur) assigned in IS.

does not matter order registration - payment

Login into project web is possible with IS "username" and "password"

Fee is paid like internet, more info here

*[http : //wiki.siliconhill.cz/CLEN : Clenstvi.v\\_klubu : Registrace](http://wiki.siliconhill.cz/CLEN : Clenstvi.v_klubu : Registrace)*

If there are no extra fees (sport, photo, internet), variable symbol for MR is **32**

3. It is not necessary to register each semester, membership continues automatically after payment for next semester  
You need to pay for winter semester till end of september, for summer semester till end of march
4. Bands need to have only one project member, who has MR access.  
More project members of one band is prohibited (in case of limited number of hours)
5. By registration member **agrees with rules**

- Entrance into H9 and H10 is possible with CTU/ISIC card, into H3 with key, borrowable in dorm block 3 from security guy/lady against ID (Strahov dormitory card "kolejenka", ISIC, passport,...) and you have to be written in a list (generated from system after each restart of schedule.)

if you register yourself during semester and wanna use MR ASAP, ask headquarters of project (contacts below)

- Booking of hours, opening hours

- There is no limitation of using MRs during semester, 7 days a week, since 9AM till 9PM. At night till 10PM there is possible to use acoustic instruments only, electric guitars, basses and drums are prohibited. Through examine period MRs might be limited (in case of noise). More info gives administrator of current of MR.

- Each member has **4 hours per week**. Booking of hours (for H3,H9 or H10) is online and can be done by PM only (has membership)

**Schedule** for each MR and contact for is online. Is necessary to check function of SH e-mail Leaders of project do not guarantee those booked 4 hours

- There is **restart of schedule** each semestr (cca till 1 month from beginning), more info is online, on facebook and on MR doors. Schedule is cleared for new reservation and is valid till next restart. Just one member is able to have same time in current MR.

if you know you will not use MRs anymore, please clear your hours in schedule

- PM can use any MR any time, but priority has PM with reservation in schedule. If there is no reservation, depends on deal between PMs.

- MRs using, problems reporting

- It is necessary to check all equipment and state of MR, when there is **problem**, ask leaders of MRs **ASAP**, contacts below

- When you register a problem (done by you or previous members), contact leader of current MR (SMS, e-mail, facebook,...). Leader will judge this problem, confess on time is mitigating factor

most of problems is done by PMs crew and helps leaders to fix it ASAP

13. In case of missing equipment is guilty PM, who used MR last.
14. During playing, PM behaves to equipment like to his own one (or better), for example mix indicators cannot be in red, don't play on guitar amplifiers "to knob"(100%). Damage of any piece of equipment is a problem for all of members for long time. **Project is there for all of his members**  
     does not matter, how expensive equipment is there
15. Everybody **cleans** all his mess, especially PET and beer bottles (include beer stoppers), broken drumsticks. There are wastebins in each MR. If necessary, leaders (or members if they want) of MRs use hoovers or throw wastebins.
16. It is prohibited to have open doors and windows during playing. Ventilation is able during playback pause.
17. It is possible to use all of equipment, move drumset or amplifiers in local MR. You can also bring Your own piece of equip (mic, amplifier, cymbal, . . . ) **IT IS STRICTLY PROHIBITED TO MOVE ANY PIECE OF EQUIPMENT TO ANOTHER MR!!!**. This can do leaders of project.
18. Smoking is possible only outside of block.
19. In case of leaving MR, You have to switch off all of the equipment (lights includes), set gain and volume level on zero (or minus infinity), check mess, close windows and close the door (MR on block 3 is necessary to lock with borrowed keys).
  - Equipment borrowing and servicing
20. You can borrow complete drumset (not that often used one), for more info ask leaders. You have full responsibility for borrowed drumkit.
21. You also can borrow other equipment, but You have to contact leader of MR couple of days before and ask other PMs, whether it is a problem or not and You will have also full responsibility for that equip.
22. Leader of project can close some MR in case of service. PM will be ask couple of days before.
23. Breaking the law will be punished kicking out of the project for some time, according to level of trouble without any amount of fee returned.

24. Every PM has to check web or MRs facebook (Hudebny Strahov).

25. Project leaders can change the rules.
